The goal of a budget is to have money left for saving. If your Total for Saving is \$0 or less, it's time to rethink what you earn and spend. Start saving regularly and you will soon be a budgeting pro.

Record the money you **earn or receive** each week below. Add up everything for your **Total Weekly Income**.

Fill in the **amounts you spend** weekly below. Add them all up for your **Total Weekly Expenses**.

Subtract your total weekly expenses from your total weekly income. This is your **Total for Saving**; record it here.
